No one can argue you it to you take a remedy and it cures you, you must be convinced that it was the remedy that did it. Here are some people who give Dr. Caldwell's Syrup Pepsin the credit of curing their constipation—a credit that is important when you consider how many previous attempts they had made with other remedies. Syrup Pepsin is the recognized peer of all laxatives. It is not only a substitute for salts and purgatives, but, by its milder, more scientific action, has done much to lessen their use. It is the best remedy you can buy for yourself and family for any stomach, liver or bowel trouble. All druggists sell it and it can be obtained of them at fifty cents and one dollar a large bottle. If you want to test it first, send your address to Dr. Caldwell and he will furnish you a free sample bottle for home trial.
